SALVIA.

Mrs. R. K. Hann, Benjamin Doshong, and William Gray are on the sick list, and many other of our people are suffering with bad colds.

Samuel Strait has purchased part of the Emery Hessler farm, better known, perhaps, as the Speer property.

Christmas passed off very quietly. Many of our little people were made happy by the generous remembrance of "Old Santa."

The advent of another year reminds us that the wheels of time are moving us forward with ever accelerating rapidity, and as we see the sun rise on the morning of the New Year, the thought comes, "How many of us will see it set on the last day of the year?"

Yes, the wheels of time make me think of the stage coach of fifty years ago; and the scenes on the old turnpike. At that time almost every house on the turnpike between McConnellsburg and McIlvaine was a hotel, and they all sold liquor. Almost every night you would see these houses full of guests. While the pike was always in a good condition you would see the middle tracks full of four- and six-horse teams, while at either side of the pike there was a "toe path" on which pedestrians traveled, and on which you could see drove after drove of cattle, sheep, turkeys, hogs—all destined for some far-away market.

Your correspondent wishes the editor and the many readers of the "News" a happy and prosperous New Year.

Croup can positively be stopped in 20 minutes. No vomiting—nothing to sicken or distress your child. A sweet, pleasant and safe Syrup, called Dr. Shoop's Croup Cure, does the work and does it quickly. Dr. Shoop's Croup Cure is for Croup alone, remember. It does not claim to cure a dozen ailments. It's for Croup, that's all. Sold at Dickson's drug store.

Does Coffee disagree with you? Probably it does! Then try Dr. Shoop's Health Coffee. "Health Coffee" is a clever combination of parched cereals and nuts. Not a grain of real coffee, remember, in Dr. Shoop's Health Coffee, yet its flavor and taste matches closely old Java and Mocha Coffee. If your stomach, heart or kidneys can't stand coffee drinking, try Health Coffee. It is wholesome, nourishing, and satisfying. It's safe even for the youngest child. Sold by E. R. McClain.

Early Risers The famous little pills.

The American Magazine Has Changed Hands.

For 30 Years it was Leslie's Popular Monthly. Ida M. Tarbell, who wrote Lincoln and the famous "Story of Rockefeller," William Allen White, the well known Kansas editor; F. P. Dunne, creator of "Mr. Dooley," Ray Stannard Baker, author of "Railroads on Trial," and Lincoln Steffens, of "The Shame of the Cities" fame, are under the leadership of John S. Phillips, now editing The American Magazine.

Never before has such a brilliant group been gathered together, and they are not only contributing themselves, but are filling the magazine with the very best novels and short stories and great timely articles by other famous writers, and beautiful pictures by great artists.

A Great Bargain. The regular price for the twelve numbers of The American Magazine is \$1.20—little enough as it is, but for a limited time you can get the November and December, 1906, numbers, with a full year's subscription for 1907, for a dollar, or

14 Numbers for Only \$1.00. Think of it! Think of the quality of reading you get for \$1.00. Think of the quantity—at least two great novels, 98 short stories, 28 poems, 70 timely articles, 800 beautiful pictures, and all for \$1.00.

How About Your Writer Reading? Cut this offer out, write your name and address on a slip of paper and mail it, with \$1.00. Send it now—to-day—before the special 14-months' offer is withdrawn. Send it by check, postal money order, or a dollar bill, at the publisher's risk, to THE AMERICAN MAGAZINE, 141 Fifth Avenue, New York City.

WHIPS COVE. Quite a number of friends and neighbors assembled at S. N. Garland's, Christmas.

Charles Shively and wife visited D. S. Garland's, last Sunday. John Engle butchered a hog that weighed 410 pounds, and J. A. Garland, one that weighed 481.

Mr. Davis, the lumber hauler, lost a fine horse by getting his wagon off the road on the ice.

Aaron Layton and wife, and John Engle and wife, were visitors at Levi Smith's recently.

Zoe Deacon visited relatives and friends in Buck Valley, Christmas.

W. H. Decker, Ada Hoopengardner, and Mrs. Robert Diehl, are on the sick list.

It's a pleasure to tell our readers about a Cough Cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform, or other unsafe ingredients commonly found in Cough Remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold at Dickson's drug store.

Acknowledgment. We wish to extend through your paper, our thanks to the Pleasant Grove Sunday school, for their nice Christmas presents—a set of hardwood chairs and other things; also to the Damascus Sunday school, for nice and good presents.

The Name and Address. We notice in the Postmaster General's report a suggestion that people writing letters should sign their full names and addresses to their letters, and there would never be a letter but what could be returned if it failed to reach the person it was intended for. The report suggests a better way than that, too. That is to have a small address printed on the corner of the envelope by a printer. This will cost only a trifle, and if the letter cannot be delivered to the address, or if the address should be wrong, the letter would come back in the course of five to seven days, instead of going through the Dead Letter office, being read by an employe, and finally returned to the writer after a lapse of two weeks or more.

Piles get quick relief from Dr. Shoop's Magic Ointment. Remember it's made alone for Piles—and it works with certainty and satisfaction. Itching, painful, protruding, or blind piles disappear like magic by its use. Try it and see! Sold at Dickson's drug store.

Bad Breath.

A well-known physician, who undoubtedly knows, declares that bad breath has broken off more matches than bad temper. There are ardent lovers who must sometimes wish their sweethearts presented sweeter mouths to be kissed. Good teeth cannot prevent bad breath when the stomach is disordered. The best cure for bad breath is a cleansing out of the body by use of

Lane's Family Medicine

This is a herb medicine, sold in 25c and 50c packages by drug-gists and it is saving more doctor's bills than any other medicine has ever saved. It cures headache, backache, indigestion, constipation and skin diseases.

The Charming Woman is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth velvety skin, beautiful complexion. Guaranteed at Trout's, the druggist 50c.

LAUREL RIDGE. Winter is here.

Olive B. Kendall, of the Cove, spent last Monday visiting Mrs. Rachel Shives.

Long Live the King! is the popular cry throughout European countries, while in America, the cry of the present day is "Long live Dr. King's New Discovery, King of Throat and Lung Remedies!" of which Mrs. Julia Rider Paine, Truro, Mass., says: "It never fails to give immediate relief and to quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and Sore throats after all other remedies have failed; and for coughs and colds it's the only sure cure. Guaranteed by Trout's the druggist. 50c and \$1.00. Trial bottle free.
